

REQUEST FOR PROPOSALS

Livingston County Comprehensive Mobility Management Strategy

Livingston County together with the Genesee Transportation Council (GTC), seek proposals for consulting services to create the Livingston County Comprehensive Mobility Management Strategy. The purpose of this project is to analyze existing mobility management in Livingston County, specifically for program level transportation needs and demands through human service agencies. The Strategy will examine demand generated by public programming, the efficiencies, opportunities, public funding sources, contracts, and other transportation related functions across County operations. The Mobility Management Strategy will to assist Livingston County in optimizing mobility management operations and will incorporate recommendations for best practices, enhanced effectiveness of operations, consolidation, or further collaboration to better align resources to meet the needs of vulnerable populations.

Proposals are due Friday, September 25, 2020 at 2:00 p.m.
