

REQUEST FOR PROPOSALS

Village of Perry Transportation Safety and Access Study

The Genesee Transportation Council (GTC) seeks proposals for consulting services to develop a plan to improve the accessibility and safety of pedestrians and bicycle connections along Center Street (Route 246) including connections to the school district campus, parks, downtown, and the Silver Lake Trail.

Proposals are due by Friday, July 10, at 4:00 p.m.

To request a copy of the Request for Proposals, please contact Alex Kone, Assistant Director, by email at
